Yearbook Club: with Mr. Stengel in C-8.

Attention Art Club students: who started the Lantern project last week. We will continue working on them tomorrow(Friday) in the Art room (A-6) at the 15 min. lunch bell. Please be on time.

Who eats in the Gym today if it's raining? Today in the Gym 6th & 7th graders will eat inside and the 8th graders will eat under the Pavilion and stay there. Only 6th & 7th will be permitted in the gym. You need to remember that lunch in the Gym is for eating, and not physical activity time. There are too many kids at once in the gym on a rainy day to be goofing around and not being SAFE! Eat and visit with your friends and just chill. Please throw ALL your garbage away.
